ACADEMY**

A Collaborative Learning Community

Mission: Fox West Academy, in partnership with the community, will provide project based learning opportunities that strengthen each individual learner's unique styles, intelligences, and interests.

Application Deadline

March 1, 2012

www.foxwestacademy.org

Do you learn best when...

- engaging in projects to creatively solve problems?
- forming connections between class subjects and your real world?
- contributing your individual skills and strengths in collaboration with others?

Do you enjoy learning more when...

- projects are designed around your interests and strengths?
- technology is used daily to connect, create, and contribute?
- teachers focus on developing your skills as a 21st century leader?

Then Fox West Academy is for YOU!

Fox West Academy is a 6th - 8th grade project based charter school associated with the Hortonville Area School District and located in Hortonville Middle School.

Fox West Academy was designed, in partnership with its community, to provide students and their families a project based learning option focused on strengthening each individual learner's unique learning styles, intelligences, and interests.

A Collaborative Learning Community
