Please note...

An indicator of "R/W" (red/white days) means the class runs every other day for either a semester (0.5 credit class) or for the year (1.0 credit class).

An indicator of "S" (straight block) means the class runs every day for either a quarter (0.5 credit class) or a semester (1.0 credit class).

Students must enroll in either **TWO, FOUR, OR SIX R/W credits to be able to balance their schedule.

Reminders

- 🌀 All freshmen must register for 8.0 credits (not including alternates).
- 🌀 Please remember these are course REQUESTS. Students are NOT guaranteed to get into all classes they register for!
- 🌀 With block scheduling, schedule changes are DIFFICULT. Students MUST register for the classes they intend on taking during registration.
- 🌀 Students should select classes based on what they want, and not what their friends are choosing. All classes are offered numerous times throughout the year, so students are unlikely to get classes with their friends.

ALL FRESHMEN MUST REGISTER FOR 8.0 CREDITS!
