

# **GMS Daily Announcements**

**Friday, May 31st, 2024**

- **Today is a B2 Day for band lessons and no choir lessons.**
- **Attention 5th, 6th, and 7th graders! Here's your big opportunity to join the school yearbook crew for the 24-25 yearbook. Get ready to showcase your creativity by designing pages and participating in cool yearbook projects. Enhance your creative skills and feel more connected to our school community. Come find out more at Today's WIN meeting in room A203 with Mrs. Hayen-Infante. See you there!**
- **This is a friendly reminder that all bookroom and book club books need to be returned to the library by end of day today. And library books were due by last Friday so if you still have any library books checked out, please get those returned today as well.**
- **We want to wish our 6th grade students well as they head out on their field trip today to Bay Beach. It should be a beautiful day. Please remember everything that was discussed at the end of the day regarding the expectations for the trip. Have a great time and represent GMS with pride!**
- **8th Grade students - Just a reminder that your Great America Trip is scheduled for next Monday. We are excited to have a great time with you as we celebrate your accomplishments over the past 4 years. Be sure to be here between 6:30 and 6:45 as the buses will be leaving at 7:00 am sharp.**
